

SUMMER CAMP * Fun with horses

Valley Mount Ranch offers an educational and fun Summer Riding Program. Our camps consist of everyone experiencing what it is like to own a horse. They will learn the general care of horses such as feeding, grooming, bathing, and cleaning up after horse. They will also learn the correct way to halter and lead a horse, how to saddle a horse correctly, but most important they will learn how to be safe around horses. We ride everyday, we will be riding in an arena, in a field, & taking scenic trail rides. We will also have other fun horse activities.

What do you need for the Summer Camp Program? You don't have to buy any Special Clothing; Long Pants for Riding and Shorts for all other Activities. Tennis Shoes or shoes with heels for Riding are fine, it is not necessary to have boots. Every Child should bring a sack lunch, something to drink and snacks.
